

## REPRIMAND

Mr. John M. Stanton  
P. O. Box 157  
Danbury, IA 51019

Certificate No. -9720  
Case No. 90005

John M. Stanton, a Nebraska school certificate holder, you are hereby publicly reprimanded for violating the standards of professional practices and ethics. You failed to fulfill a contract you signed agreeing to teach and coach in the Hemingford District No. 10 Schools for the 1989-90 school year. Despite the school board's rejection of your letter of resignation, you left the school district and did not fulfill your contract to teach at Hemingford. Due to mitigating circumstances, it is my determination that a public reprimand is the appropriate action in this case, rather than more severe sanctions.

As a member of the education profession, you have an obligation to conduct yourself in a professional manner. Any further unprofessional or unethical conduct may result in the suspension or revocation of your Nebraska school certificate.

Dated this 9<sup>TH</sup> day of May, 1990.

  
Commissioner of Education

This reprimand is public and is subject to publication. A copy of this reprimand will be maintained by the Department of Education. Additionally, a notation will appear on your official certificate record that you received a public reprimand on this date.
